

### ORTON

Manufactured from 430 grade stainless steel Orton Stays offer improved performance and weathersealing through the use of the nylon reduced friction end cap.

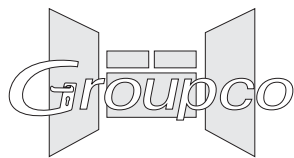

- Integral washers on each joint to ease operation, durability and smoothness
- Nylon reduced friction end cap as standard
- Friction slide is manufactured from high strength material and fitted with a brass resistance screw

Available from Groupco ex-stock in 13mm and 17mm stack heights with 18mm track width.

Part No.	Description	Box Qty.
813TH	Top Hung 8" 13mm stack height	25pr
1013TH	Top Hung 10" 13mm stack height	25pr
1213TH	Top Hung 12" 13mm stack height	25pr
1613TH	Top Hung 16" 13mm stack height	25pr
2013TH	Top Hung 20" 13mm stack height	25pr
2413TH	Top Hung 24" 13mm stack height	25pr
1213SH	Side Hung 12" 13mm stack height	25pr
