

Quality Door and Window Fittings

Groupco Ltd, based in Peterborough was founded in the early 1950's as a specialist distributor of Architectural Ironmongery. In the 70's a comprehensive product range for the emerging PVCu Door and Window industry was introduced. Over the years this has broadened out to include products for PVCu, Timber, Aluminium and Composites.

Since its inception Groupco's aim has been to provide a quality next day service on a range of high quality value for money products.

Our door fittings are suitable for Residential, French, Stable, Electronic and Sliding Doors.

Our window fittings are suitable for Casement, Tilt & Turn, Topswing, Sideswing, Projecting top and side hung windows.

Ask for a copy of our current CD – you won't be disappointed.
